Teammates Commercial Interiors Named Authorized Paoli Dealer for Denver Market

DENVER, Colo., March 26, 2002 – Teammates Commercial Interiors, a Denver-based, privately held office furniture dealer, today announced that it has been named an authorized dealer for office furniture from Indiana-based Paoli, Inc. As part of this agreement, Teammates will be able to offer the entire line of Paoli office furniture – which is known for its solid design, durability, value and environmentally friendly corporate philosophy.

Through this agreement to be an authorized Paoli dealer, Teammates will have a unique position of being able to offer a hot new product line at very competitive prices. Designers will have the opportunity to pass along these savings to their customers. In addition, the Paoli line allows Teammates to offer its customers a deeper line of wood furniture products that are quite affordable.

“As a result of now carrying the Paoli line of products, Teammates will be able to offer the design community a line of wood furniture that is extremely well-received by end users because it’s so well-designed and offers superb value,” said Michael Berkery, Teammates president. “Teammates anticipates a very positive response to the Paoli line, and we will be able to fill the needs of even more customers.”
