Teammates Commercial Interiors has been in business since 1995. We've created many lasting relationships, by using the simple philosophy of being an advocate, or teammate, for our customers. We work together to create work environments meeting specific needs. Our employee's experience and dedication, combined with outstanding products, are the key components of our success.

Patricia Frisoni | The Children's Hospital – Radiology Lab

1056 E. 19th Ave. | Denver | CO | p 303.764.8444 | frisoni.patricia@tchden.org

Collaborated in the creation of task specific work areas to meet the individual needs of several radiologists and have also assisted with the relocation of existing work areas to new locations.

Joan Golden | Special Projects Manager | The Colorado Health Foundation

501 South Cherry Street, Denver | CO | p 303.953.3629

We furnished their corporate headquarters in 2006, including approximately 20,000 square feet of workstations, private offices and ancillary furnishings. More recently, we have assisted with 2 additional expansions.

Diane Pearson | Facilities | Denver Health

770 and 990 Bannock St, | Denver | CO |

Since 2006, we've been involved with multiple projects, including the reconfiguration of over 100 workstations and ancillary furnishings, totaling more than 30,000 square feet of office space.

Yvonne Pirwitz | Aspen Healthcare Metrics

6300 S. Syracuse | Centennial | CO | p 303.694.6163 | ypirwitz@aspenhealthcare.com

Since 2003 we've completed several projects, at different locations, and continue a positive relationship in 2010. We are currently providing workstations, private offices, and seating.

Dawn Rowe | Beacon Medical

3033 S. Parker Road | Aurora | CO | p 303.306.4561 | rowedm@beaconmedical.com

Since 1999, we've assisted with multiple projects, including new facilities involving hundreds of workstations, private offices, and seating installations.

Laurel Ditson, VP Organizational Development | Baxa

14445 Grasslands Drive | Englewood | CO | p 303.617.2111 | laurel.ditson@baxa.com

Since 2003, we've been involved with furnishing several of their locations. We are currently working to utilize existing furniture, combined with new products, to furniture a substantial new space.
