**TEKNION WINS TWO GOLD AWARDS  
IN BEST OF NEOCON DESIGN COMPETITION**

*dna modular lounge seating and tables, Conflux LED Lighting  
Collection earn Gold in Best of NeoCon*

**CHICAGO, June 14, 2010** – Teknion Corporation today announced that two new products previewed at NeoCon won awards in the Best of NeoCon 2010 design competition. dna modular lounge seating and tables – created by Acer Design and Teknion’s in-house design team – received Gold in the Seating: Benches category. Conflux LED Lighting Collection – designed by Carl Gustav Magnusson – earned Gold in the Lighting: Task/Desktop, Furniture-Integrated category.

“Recognition by the Best of NeoCon jurors with Gold awards for dna and Conflux is one of our industry’s most prestigious honors,” said David Feldberg, President and CEO, Teknion. “Teknion continues to invest in design and create dynamic products to address emerging workplace trends. This is the fourth consecutive year that we have been recognized in the Best of NeoCon competition.”

The dna lounge seating and tables product line reinterprets traditional lounge furniture, addressing today’s needs for collaborative spaces, increased flexibility, reconfigurability, and access to power and communications. dna’s design allows components to connect on all sides for maximum planning flexibility. Modular units are reconfigurable by the user depending on the size and needs of the group.

Conflux represents the evolution of LED technology with innovative design and technology advancements, including a flat-panel structure and a Passive InfraRed (PIR) occupancy sensor that works based on users’ body heat. Conflux also serves as a power source with the Adjustable Task Light that features wireless charging Powermat technology. Along with the Adjustable Task Light, the Conflux family includes the Desk Lamp, Floor Lamp and Undercabinet Light.

In addition to dna and Conflux, Teknion is displaying other innovative products in showroom #1048 during NeoCon, June 14-16. These included **Connexion** task and guest seating, **Topic** swivel chair, **Foundations Conferencing** and **Casegoods** furniture, **Teknion Powermat Accessories**, the **Vignette** seating and tables collection and new **District** storage formats.
