**Teammates Commercial Interiors Wins
Contract with Peoples National Bank**

Lakewood, CO September 29, 2008 – Teammates Commercial Interiors announced today that it has been awarded a contract to furnish the new downtown branch location for Peoples National Bank (Peoples) in Colorado Springs.

The interior concept for the new branch location will promote their non-traditional, boutique banking services for today's business customer. To achieve this effect Peoples chose two award winning products; Origins by Nucraft for its contemporary aesthetic, and Altos Architectural Walls by Teknion for it's understated design.

Senger Design Group is providing the projects' interior design services and John Nelson Architects will provide architectural services.

"We want the space to convey our unique brand – that of a locally owned, personally attentive bank that can also provide the experience, financial strength, and extensive resources of a larger institution." Noted Cynthia Leonard, Marketing Director for Peoples National Bank. "From the moment our business customer's step inside; they should feel welcome, at ease, and confident in our sincere commitment to helping them meet the financial needs of their business."
