**TEKNION HONORED FOR INTERNATIONAL
ENVIRONMENTAL EXCELLENCE**

*Teknion receives Citi Realty Services' prestigious Global
Sustainable Vendor of the Year Award*

TORONTO, April 28, 2011 – Teknion Corporation today announced that it has been presented with The Regional Recognition Award for Environmental Accomplishments for Latin America by Citi Realty Services (CRS). The award was presented to Teknion in Bogota, Colombia, at Citi Realty Services' Global Vendor Day.

"This esteemed international award recognizing our excellence in environmental management was made possible by the great work done over the years by members of our international and corporate environmental teams, and our Latin American dealership network," said Scott Deugo, Teknion's Senior Vice President of Design, Marketing and Sustainable Development.

An outside review council made up of environmental professionals from around the world, as well as Citi's sustainability team, reviewed Teknion's submission before selecting it for this recognition. According to the CRS Sustainable Supply Chain Team, "CRS's Global Sustainable Vendor of the Year Award Program is truly an honor to be a part of, and we congratulate your company on its award. This is a very prestigious honor and your company should take pride in this achievement."

About The CRS Global Environmental Vendor of the Year Awards

Global Environmental Vendor of the Year Awards are for suppliers to Citi Realty Services that have been nominated for their excellence in environmental management. CRS invites its vendors from around the world to participate. To qualify, a company must be nominated then submit a detailed response based on their nomination. CRS is part Citi – the leading global financial services company.
